PROFILE

I am a passionate front-end developer with experience in building responsive and interactive websites. I am proficient in HTML5, CSS, JavaScript, and modern frameworks like React and Next.js. I focus on creating user-friendly interfaces and enhancing web performance. Currently, I am working on personal projects to further develop my skills and stay up-to-date with the latest web technologies.

WORK EXPERIENCE

PET PROJECTS

2024 - PRESENT

FRONT-END FIELD

- I am currently focusing on developing my skills through the creation of personal pet projects. These projects allow me to explore and implement various web technologies while enhancing my understanding of front-end development. You can check my pet projects here: [UnterCV](#) or on my [GITHUB](#) !
